

## Evaluation - Haylee Nguyen

- Tech contribution: 10

Even though we do not have enough tech contribution at this moment, she was involved in getting the dataset from existing research and reddit mental health dataset, and discussing what dataset should be more relevant to our project.

- Writing contribution: 10

Participated in discussion on capstone stage 2 brainstorming, and wrote and revised a presentation for presenting in the class

- Overall effort: 10

Overall, Haylee spent relevant time on preparing for stage 2 with making a presentation slide, well contributed to team discussion and finding the right dataset for our project.
